

Thank you for your application and for your interest in this opportunity.

We would like to inform you that the current Graduate Engineer Trainee (GET) position offers a salary package in the range of **₹8-10 LPA**.

If you are interested in proceeding further, please submit a project and working implementation for a **Chatbot built using a Retrieval-Augmented Generation (RAG) architecture**, with a focus on achieving **minimal to near-zero hallucinations**. The solution should use **Telecom 3GPP standards documentation** as the primary knowledge source.

Please submit your project by **17 August**.

Following the submission, your candidature will be evaluated based on:

- The quality and effectiveness of the submitted project.
- Your understanding of the solution design and code implementation.
- Performance during the technical interview process.

We look forward to reviewing your submission.
